PANEL:

The Changing Nature of Development in Atlanta:

Like other forward-looking metro areas, Atlanta is using development and retail development to meet its larger goals especially around community building. This track about new and valuable strategies to replace blindspots/biases by proactively considering the needs of others and creating experiences have already shifted from "me" to "we".

PARTICIPANTS:

Panel Moderator:

John Moores / Associate Director Retail & Mixed Use Studio / Wakefield Beasley

Key note Speaker:

Andrea Beach / CEO, Beachfront Technologies

Participants:

Adam Parker / Director / Carter

Adam Toal / Architect for Met / ASD | SKY
